

Welcome to the AMY-JO Cottages. We hope you enjoy your stay.
There are some items we would like you to be aware of.

1. These are housekeeping cottages—that means you do the housekeeping. Turn **it back to us the way you found it**. We have endeavored to give you a clean, comfortable, and quiet place. Please help us to keep it that way.
2. In respect for our other guests we ask that noise be kept to a minimum after **10 P.M.**
3. Towels, blankets and all linens are not to be removed from the cottages other than to go to the laundry. Please do not use towels or blankets for the beach and **especially don't use towels for wiping down motorcycles. We have a barrel of rags for that purpose—just ask for some.**
4. There is a clothesline between each cottage. Please use it. **Do not hang clothes on tress, chairs, or in front of the cottages.**
5. There are picnic table and grills in the back fo the use of our guests. Please clean up **after you use them.**
6. **Put all trash in the dumpster**—empty wastebaskets often so as not to attract ants or **other pests.**
7. Visitors are not allowed to sleep overnight in cottages. If you have room, there is a \$25 charge per person. We try to discourage day visitors from staying due to our limited parking. If we have a vacancy at the time we would be glad to accommodate them. Please talk to us and we will try to work it out. No more than four to a cottage. There are occupancy limits on the cottages according to insurance.
8. Be careful not to put anything but **toilet paper** in toilets. We are on a septic system. Try not to water water. Only **white** toilet tissue please.
9. Please turn off water, gas and electricity when through using. So not leave televisions on when not in the cottages.
10. **CHECKOUT TIME IS 10 A.M.** if we can give you a late check out, it is **2 P.M.** After that, there is a charge of \$50—after 6 P.M. \$100.
11. \$100 Charge for dogs.
